

# NestWrench™ Press Kit

**Tagline:** Fix It Smarter, Not Harder.

**Website:** <https://nestwrench.app>

**Email:** support@nestwrench.app

**Company:** Davidson Enterprises, LLC — Crown Point, Indiana, USA

## About NestWrench

NestWrench™ is an AI-powered home repair companion that helps homeowners identify, track, and manage maintenance tasks—all from one smart hub. By combining camera-based diagnostics with intuitive repair logging and preventive insights, NestWrench empowers users to solve problems faster, stay organized, and save money on home upkeep.

## Core Features

<b>AI Scan</b>	<b>Identify home issues instantly using your phone's camera.</b>
Smart Repair Logs	Automatically track repairs, maintenance, and costs.
Preventive Insights	Get AI reminders and seasonal maintenance suggestions.
Secure Cloud Sync	Private storage—no live streaming or third-party sales.
Simple Interface	Fast, friendly, and built for homeowners.

## Our Mission

NestWrench was built to simplify homeownership through accessible technology. We believe that every homeowner should have tools to understand their property without confusion or guesswork.
